The Wisdom of Beauty

EYE TREATMENTS

OUR STORY

Skinergy: Scientifically formulated for a result-based outcome™

We create skincare with ingredients that work both intrinsically within each product and synergistically across the entire range, to ensure optimal results for the healthiest skin. We use the latest clinically tested, 'clean' ingredients in our products, avoiding parabens, alcohol, and mineral ingredients wherever possible.

Skinergy is manufactured in South Africa.

OUR MISSION

To offer effective skincare at competitive prices.

EYE TREATMENT COLLECTION

Skin Glow 360° Eye Serum

A holistic skin health approach, pro-actively targeting eye contour skin concerns and resulting in a well-rested, stress-free, youthful appearance.

Description:

The Skin Glow 360° Eye Serum protects the delicate eye area from free radicals and the effect of stress on the skin. Fortified with plant extracts, stem cells, and peptides which work together to improve cell DNA, address wrinkle depth and skin firmness, and provide a well-ageing, mood-lifting eye area.

Application:

Apply a pea-sized drop to each ring finger and gently tap the serum on the orbital bone area around the eye, prior to applying moisturiser. Ideal for day and night use.

Ingredients:

Bilberry Fruits and Rosemary Leaves - recharge and renew the mitochondrial membrane, resulting in increased skin elasticity and a reduction in fine lines.

Marine ferment - eliminates the effects of emotional stress and slows biological ageing, decreasing wrinkle depth around the eye area.

Biomimetic Active from Turmeric Spice - enhances skin resiliency against Envirostress.

Cannabis sativa stem cells - prebiotic treatment reducing emotional wrinkles and leaving the skin looking healthy.

Turmeric extract and Pomegranate seed stem cells - anti-oxidant and anti-inflammatory to revive the skin and provide a natural glow and photo-protection.

Peptides - reinforce your immune defence, restore lymphatic integrity to minimize fluid build-up, reduce the signs of fatigue and diminish dark circles and puffiness.

Centella Asiatica - the “plant of longevity” activates reverse cell senescence by protecting and repairing the cell DNA, increasing skin firmness to reduce crow's feet.

20 ml

Timeless Age Eye Resurrection Wonder

A resurrected eye area, optimally hydrated, protected, and strengthened, with minimised fine lines, puffiness, and dark circles.

Description:

Timeless Age Eye Resurrection Wonder contains the latest revolutionary ingredients and treats all skin concerns associated with the delicate eye area.

Application:

Apply a pea-sized amount of Eye Resurrection Wonder to your ring finger and lightly tap on the orbital bone (not directly on the eyelid), moving from the inside out and on the brow line. To be used in the morning and evening, after cleansing but prior to applying a moisturiser.

Ingredients:

Ceramides - maintain the structure of the skin, making it firm and less prone to lines and wrinkles.

Cichorium Intybus Root Oligosaccharides - assist with skin restructuring, increases collagen synthesis.

Acetyl Hexapeptide-8 - restores lymphatic integrity to reduce dark circles and the signs of fatigue.

Palmitoyl Tripeptide-5 - reduces under-eye puffiness and dark circles.

Rice and Soy Peptides with Superoxide Dismutase - improve capillary circulation.

Gluconolactone - dissolves dead skin cells, decreases wrinkles and helps to repair the skin barrier.

Squalane - prevents trans epidermal water loss (TEWL), thus protecting the skin barrier.

Sodium Hyaluronate - a hyaluronic acid derivative which hydrates the deeper layers of the skin.

Saccharide Isomerate - binds water to the skin like a magnet.

15 ml

Skin Protect Eye Peptide Complex

Hydrates and firms the skin around the eyes, counteracting dark circles and puffiness while protecting against skin stress and damage.

Description:

A powerful eye protection complex that deeply hydrates as it reduces wrinkles, puffiness, and dark circles while protecting the delicate eye area against oxidative stress.

Application:

Apply a pea-sized amount of Skin Protect Eye Peptide Complex to your ring finger and lightly tap on the orbital bone (not directly on the eyelid) moving from the inside out and on the brow line. Apply in the morning and at night for optimum results.

Ingredients:

Rice and soy peptides - protect against oxidative stress by stimulating fibroblast proliferation, to help strengthen the collagen and elastin matrix. These peptides also improve capillary circulation, preventing and minimizing under-eye dark circles.

Acetyl Hexapeptide-8 - assists the first-line immune response and prevents damage, resulting in a rested appearance.

Palmitoyl Tripeptide-5 - imitates the body's own mechanism to produce collagen, thus reducing the appearance of and preventing the formation of wrinkles.

Sodium Hyaluronate - hydrates the skin to give the eye area an instant revived look.

15 ml

Hydra Boost Eye Rescue

Relieves the eye contour from the signs of fatigue, stress, and age, with all-day hydrated skin.

Description:

Skinergy Hydra Boost Eye Rescue is formulated to complement the skin's natural microbiome, while containing advanced hydration ingredients and actives that provide immediate lifting and tightening. Additional tetrapeptides help reduce puffiness and dark circles.

Application:

Apply a pea-sized amount of Hydra Boost Eye Rescue to your ring finger and lightly tap around the eye contour (not directly on the eyelid) moving from the inside out. Apply in the morning and at night for optimum results.

Ingredients:

Sodium Hyaluronate - a hyaluronic acid derivative. With a lower molecular weight than hyaluronic acid, it penetrates deeply to hydrate the deeper layers of the skin.

Saccharide Isomerate - binds water to the skin like a magnet.

Cichorium Intybus Root Oligosaccharides - has an immediate lifting and tightening effect that visibly improves the appearance of skin by reducing wrinkles.

Acetyl Tetrapeptide-5 - reduces the appearance of puffiness and dark circles.
